What needs to happen to make Public Transport better for everyone?

Are bus stops and railway stations easy to get to?

Do they have toilets, parking, shelter etc?
Signage easy to understand?
Is there info on services/flexibility?
Do timetables align?

Safe and easy to access by everyone?

**Is it clean, well maintained and comfortable?
Cycle Storage?**

Is it a good option? Is it accessible?

**Is it green?
Low emissions?**

**What else?
